SKI TRIP PERMISSION SLIP

**NEW YORK STATE NO-FAULT LAW
PERTAINING TO SCHOOL BUSES**

There are special rules for occupants of a school bus and no-fault insurance coverage, then the insurer of the school bus provides no-fault benefits. This law, therefore, requires passengers to first apply claim to their own automobile insurance carrier. The School District has been advised that this does not impact individual residents' car insurance rates, but represents a cooperative program by all insurance companies to address this insurance matter.

Dear Parents:

Ms. Sawler is in receipt of your check and permission slip for the ski trip. Prior to the trip we will be reviewing student referrals and will make determinations regarding student participation in this activity.

Participating in extra-curricular activities is a privilege. Student behavior needs to be appropriate at all times and students need to demonstrate a sense of pride in representing our school. If your child's behavior is a concern, we will notify you in advance. However, please realize that if situations exist at any time regarding the safety and welfare of our students, a student will not be permitted to participate in this type of activity.

We thank you for your help and cooperation.

Sincerely,
The Westlake Middle School Administration
