January 6, 2023

Dear Westlake Middle School Families,

Thanks to several student leaders, we are adding content to our Parent Classroom page. Recently, Olivia Novielli, Jason Papini, Gavin Harrington, and Max Sinno created a Winter Track presentation highlighting some of our scholar athletes. We look forward to these students highlighting our other modified teams in the near future.

You can view the Parent Classroom page by logging in as your child to Google Classroom. Through multiple discussions with parents, students, and teams we have found that this is a successful practice that allows parents to be more connected to their children's education. Parents who access their child's Google Classroom Pages have a view of what their children are learning, beyond what assignments are complete and what their current grades are.

Thanks again to all the students who are adding to the page and the teachers who are supporting the process. We look forward to seeing the new ideas and content added to the page. We hope this leads you to look at your child's classes and talk with them about what they are learning.

Thank you,  
*Anthony Mungoli*  
Principal

*Christine Parrottino*  
Assistant Principal
